

Sui Southern Gas Company Limited

ASGM (Coord)/F-29/2021
15th October 2021

To,

All Industrial Association

Subject : 50% Closure of Captive Power by all General Industries (Non Export) starting From Saturday Dt: 16 Oct 2021 to Monday 25 Oct 2021. (09 days).

This is to inform that SSGC is facing severe shortage in indigenous gas receipts from different gas supplying fields due to natural Depletion.

To cater for the shortage of gas, SSGC is following the Gas Load Management policy. Therefore, you are requested to communicate to your esteemed members to extend their cooperation by reducing their captive power load (non export) by 50% starting from Saturday Oct, 16 2021 (08:00 AM) till Monday Oct, 25 2021 (08:00 PM). This is being done in the greater interest of the general public.

You are requested to comply.

Yours truly
